### Proxet partners with Adyen for global fintech growth

Proxet partners with Adyen for global fintech growth

We're excited to announce a new strategic partnership with Adyen, the global financial technology platform.

This collaboration combines our data and AI engineering expertise with Adyen's industry-leading platform. Together, we're helping companies simplify their payments architecture, unlock new revenue streams, and accelerate product innovation.

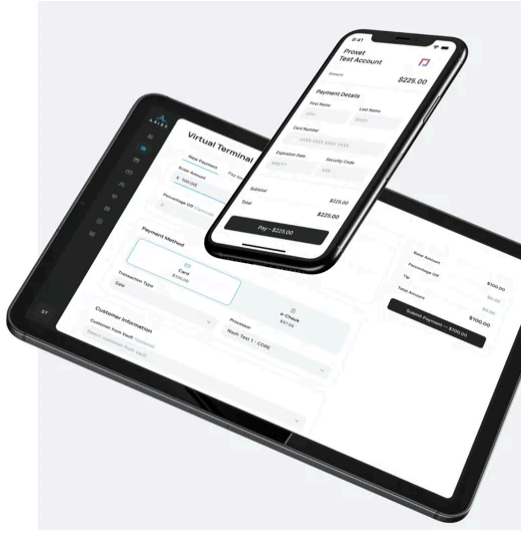

We are proud  
to announce  
our partnership  
with **Adyen!**

### From legacy to leading-edge payments

Proxet partnered with Aurora Payments to develop and deliver ARISE, a new, comprehensive payment platform. ARISE uses modern development approaches that set Aurora up for scalable growth and greater market share.

See how we did it in our case study 

### Events we're attending (and you might want to):

- [Realcomm webinar](#) (real estate), online — October 9
- [CREtech](#) (real estate), New York, NY — October 21-22
- [Money 20/20](#) (finance), Las Vegas, NV — October 26-29

### We're hiring

As Proxet grows, we continue to seek innovative engineers across the board! We craft cutting-edge software, data, and AI solutions that drive success for our renowned clients, and we're always looking for exceptional talent to join our team. Know someone who fits the bill? [Send them our way!](#)
