

2025 Holiday Edition: Proxet's Tech Bulletin

Hey everyone! 🎉 You know us — we usually keep the focus on what's new in tech. But this time? We're hitting pause for a quick, fun look back at the biggest things Proxet crushed in 2025!

If you've been reading this newsletter for a while, you're basically family 🤝, so we figured you'd want the inside scoop on our huge year. See how we leveled up in 2025:

- We added some serious rockstars 🎸 to our **leadership** team.
- We talked tech all over the place, sharing our expert insights at over a dozen **major events** nationwide! 🌎
- We **teamed up** with leading tech companies to help finance and real estate clients modernize. 🏡
- Our clients are loving the results, and we've got fantastic **video testimonials** 🎥 to prove it!

Ready for the highlights reel? 🎬 Scroll down and check out our 2025 greatest hits!

<h3>Proxet's strategic leadership growth in 2025</h3>	  		
	<p>Dmitry Bibikov Julie Hong Igor Moochnik</p>		

Proxet's strategic leadership growth

As Proxet's reach and impact grew in 2025, we welcomed President Uday Deo and leaders across Delivery, Client Solutions, Product, and Sales — setting the stage for an even stronger 2026.

In total, we proudly welcomed almost 100 brilliant new Proxeters to the team this year.

	<h3>2025: a great year for events!</h3>		

Talking tech all over the place: insights from 12+ major events

From the biggest stages in fintech (like Money 20/20 and TRANSACT) to key gatherings in real estate (including RETCON, CREtech, and Realcomm), to broader technology events (including Snowflake, Databricks, and AWS re:Invent) we met with clients, partners, and prospects – sharing insights on the future of technology and AI.

We are proud to announce our partnership with Adyen!

Proxet & Adyen are simplifying payments together

Our partnership with Adyen combines our data and AI engineering expertise with Adyen's industry-leading platform. Together, we're helping companies simplify their payments architecture, unlock new revenue streams, and accelerate product innovation.

	<p>"I appreciate the attitude, the sense of urgency, but more the sense of ownership. It's a difficult trait to find anywhere. But when you can find it in a group of individuals and they all fit together like this, it's a really good thing."</p>			
		<p>Frank Di Cosimo Director of Infrastructure and Cloud Technologies at TriTech Software</p>		

Hearing directly from our partners is always the ultimate highlight!

We are incredibly proud to feature **Aurora Payments** and **Tritech Software**, who shared how our partnership unlocked tangible growth and helped them solve complex problems.

Click below to watch their stories and see the real-world value of Proxet's engineering expertise in action!

That's almost a wrap on an unforgettable 2025!

We can't wait to see what next year brings, but for now, we wish you a wonderful and relaxing winter holiday season!

We're hiring

As Proxet grows, we continue to seek innovative engineers across the board! We craft cutting-edge software, data, and AI solutions that drive success for our renowned clients, and we're always looking for exceptional talent to join our team. Know someone who fits the bill? [Send them our way!](#)
