

# Proxet's Fintech Bulletin

You're receiving this because you're in our professional network. We share:

- A monthly roundup of trends, events, and insights across industries
- Tech updates for forward-looking leaders

If you ever want to change what you get—or unsubscribe—you can do that at the bottom of the email.

## From legacy to leading-edge payments

Proxet partnered with Aurora Payments to develop and deliver ARISE, a new, comprehensive payment platform. ARISE uses modern development approaches that set Aurora up for scalable growth and greater market share.

## Vegas fintech buzz

In March, Proxet had insightful conversations at FintechMeetup in Vegas. We broke down the key trends in our blog post, from embedded finance's staying power to the data advantage you can't ignore.

## Proxet beyond fintech

Proxet worked with a large real estate company to streamline their financial reporting processes. See a simulation of how Power BI can be used to organize cluttered leasing data into interactive portfolio insights, revealing financial gaps.
